Subject: Midamines sprl - PINACLE WEB WIRE Service Set up - Business Options Visa

---

Dear Tiffany:  
It was good to meet you.

Dear Ann:  
Thank you for your email and phone call.

Please note the check of \$35,110.72 was deposited in New York into the PNC account of MIDAMINES SPRL (Acct. No. 80489554) and I have learned today that it was credited to the account of Midamines sprl, and the funds are available. Please confirm.

At this time, as I am travelling in Europe, I would like to set up the PINACLE Web Wire, for the Midamines sprl account, so that I can connect online and make transfers etc.  
Please let me know how we can start this service and you can reach me at 011 32 484 726 711 during my travels, if you have any questions,  
or please email to me at [haa-law@hotmail.com](mailto:haa-law@hotmail.com) if you need further information. I am also interested in the Business Options Visa and please  
could tell me more about that card and service.

If I am not reachable then please call my colleague Santo Terenzio at (630) 233 0621 who can assist me in the set up of PINACLE.

Thank you for your cooperation.

Attorney at Law
